No.013/09-10

Dear Parents of S3 Students,

Thanks to parents' solid support, the College has the tradition that learning trips will be organized for students to address the needs of the curriculum. Each year level will have its own agenda of learning.

Accordingly, making use of the S4 mid-year exam time, between 25th and 29th January, 2010, S3 students will go to different parts of Asia for cultural exploration.

For a bigger picture, in S4, they will go to various places of the world for meaningful service, after the Final Exam in July 2010.

We are in the process of finalizing all details, such as fees and itineraries, but under estimation, the cost per S3 student would be within the range of HK\$5,000.00 and HK\$10,000.00. Financial assistance will be available to families that are eligible for support. As well, closer to the time, a letter of consent from parents will be necessary.

As in the past, these learning trips are mandatory. Students will not be granted leave unless they come with very strong reasons for not joining. Those who do not go will have to attend school as usual, to work on assignments under the supervision of the teachers.

Please complete the reply slip below and ask your child to return to the Class Tutors on 3rd November, 2009.

We are sure this will be a very meaningful learning experience for your child.

Yours sincerely,

Dennis K. W. Chan
Principal
