

15th December, 2008

No. 020/08-09

Dear Parents,

Red and Green Day – 19th December, 2008

Traditionally, on the last day of the autumn term which will be 19th December this year, we have our 'Red and Green' Day to celebrate Christmas. Students can come dressed in their own clothes but with something red and something green on as these are the Christmas colours. We would like to collect \$10 per child, proceeds of which will be donated to World Vision Hong Kong, to help those who are far less fortunate than ourselves at this time of year: those without families and homes.

We have plenty of exciting things going on for that day: A Talent Contest, students stalls, Christmas parties and then the final assembly of the year with music and singing from the school band and choir. **All programmes will end at 12:30 p.m. and shuttle buses will leave school at 12:45 p.m.**

The College would like to thank you all for your great support throughout the year and we, the staff at the College, would like to wish you a happy Christmas and a prosperous New Year.

Yours sincerely,

Dennis K. W. Chan
Principal
