8<sup>th</sup> January, 2009

No. 024/08-09

Dear Parents of S3 Students,

I would like to inform you that with the aim of broadening the horizons of our S3 students in mind, and thanks to the allowance of the Term Two timetable, the College will launch its Tuesday After-School Seminars Series between 10<sup>th</sup> February and 2<sup>nd</sup> June, 2009 inclusive. The time will be between 3:25 p.m. and 4:25 p.m.

Professional and academic speakers from different walks of life and career will be invited to conduct these talks, aiming at sharing with students their valuable experience. The S3 students now having to know more about different career paths will find the programme particularly helpful.

This is a compulsory activity that all S3 students will need to attend.

Thank you for your attention.

Happy New Year to you!

Yours sincerely,

Dennis K. W. Chan  
Principal
