No. 025/09-10

Dear Parents,

Community Service Programme (2nd Round)

With the participation of parents and students, the 1st Round of Community Service Programme was a great success. As students participated actively in serving the needy, most of the service will continue. Meanwhile, two new community services will be introduced in this round. 'Fook Lok' Walkathon, which was highly supported by parents and students last year, will be held in January 2010. Families had great fun together. One of our students got the prize of raising the highest amount of money. Another service will target at mentally-challenged children. Students will learn to appreciate individual differences and how to communicate with them through interaction. Further details of the activities are as follows.
