No. 026/09-10

Dear Parents/Guardians,

Extended Learning Activities (ELA) and School Sports Teams

The second round of ELA is about to start and will run from 7th December, 2009 to 13th March, 2010. Students must choose at least one activity. The maximum is three activities for each round. If a student began a year-long ELA in the first round, he or she must continue it. Our ELA is divided into the following 5 categories as usual:

- | | |
|-----|----------------------|
| I | ACADEMIC |
| II | SPORTS |
| III | MUSIC & ARTS |
| IV | SERVICE |
| V | CULTURAL & INTERESTS |

The requirements are listed below for your information.

For S1 - S3

- Students join at least one activity or a maximum of three activities in each round, as mentioned.
- They must choose the activities from different categories where Sports and Music & Arts must be included at least once in three years (from S1 to S3).

For S4

- Students join at least one activity or a maximum of two activities, each at a round.
- Students select from at least two different categories over two years (from S4 to S5). Music & Arts must be included at least once in the three-year period from S4 to S6.
- In S6, students can only participate in one activity in the first round due to preparation for public exams.

Please read the attached information regarding fees and other details, discuss with your child and make the choice together with him/her.

On the 1st and 3rd December, 2009, the ELA Enrolment Market will take place in the Hall during Assembly where students are required to select their options.

A list detailing the final selections for each activity will be posted onto our school webpage, <http://www.hkugac.edu.hk/activities/ela.htm>, under the "ELAs" for your ready information.

We look forward to a fruitful ELA programme.

Yours sincerely,

Dennis K. W. Chan
Principal
