No. 038/09-10

Dear Parents,

Increase of Tuition Fees for 2010 – 2011 School Year

Last year was a difficult year for all of us since the world was hard hit by the economic tsunami. To ease the financial burden of parents, we did not apply for increase in school fees despite having to operate on a tight budget. However, for the sake of providing quality education for our children, you will all understand that this financial constraint of the school must be addressed.

To secure a sustainable and sound financial situation, we will need to apply to the Education Bureau for fee increase this school year. After careful consideration by the IMC, we now plan to apply for a moderate increase of the tuition fees by \$1,000 per level for 2010 – 2011:-

Level	Annual Tuition Fee for 2010 - 2011
S1	\$35,000
S2	\$36,000
S3	\$37,000
S4	\$38,000
S5	\$39,000

We should be most grateful if you could complete the reply slip below and return it to your child's Class Teacher **by 5th February, 2010**.

Thank you in advance for your support.

Yours sincerely,

Dennis K. W. Chan
Principal
