Dear Parents of S1 Students,

CAS Trip – “Treasure Island”

Due to the increasing number of Influenza A H1N1 cases around the world and the vulnerability of passengers on aeroplanes, it is with great reluctance that we must cancel the CAS trips for S2 and S3 for this year.

It is hoped that the activity week arranged for S1 students at the Treasure Island Centre may be able to go ahead at the end of June.

As it is based in Hong Kong, avoids exposure on aircraft and based mostly outdoors, the trip, is not beset with the hazards that other CAS trips are. It will also be a wonderful experience for the students.

Obviously, if the situation should worsen in any way, then we will review the situation again. Please be assured that the school will avoid any possible risk to students.

If you have any queries, please contact Miss Caroline Chan at 28708815.

Yours sincerely,

Dennis K. W. Chan
Principal
