No. 041/09-10

Dear Parents of S3 Students,

Subject Choice for New Senior Secondary (NSS) Curriculum

According to the schedule of the school detailed in the NSS Subject Choice Handbook, we would like you to complete the various forms attached herewith so as to finalize your child's options for their Elective Subjects in the NSS curriculum, beginning in S4, 2010 - 2011. We trust that over the past few months, your child should have had a good idea about which subjects he/she would like to take.

According to these finalized subject options, we will move on to work out the best possible subject combinations for all the S4 students next year.

We should be most grateful therefore if you could return these different forms to your child's Class Tutors **by 1<sup>st</sup> March, 2010**.

In the meantime, if there are questions about individual subjects, please do not hesitate to contact the relevant subject teachers, Mr. Sydney Wong, or me.

Thank you for your kind attention.

Yours sincerely,

Dennis K. W. Chan  
Principal

Enc.
