

24th June, 2009

No. 046/08-09

Dear Parents,

Advancement of Summer Holidays from Friday, 26th June, 2009

Based on the assessment of the Department of Health on the latest development of the Influenza A H1N1, the Education Bureau (EDB) recommends secondary schools to cut down as far as possible post-examinations activities to allow an advancement of the summer holidays for students. As such, our College decided to revise the summer holidays from Friday, 26th June to 31st August, 2009. All post-examination activities will be suspended.

Following EDB's recommended calendar, the next academic year will begin on 1st September, 2009, on which day students will have half-day school only. Regular lessons will begin on 2nd September.

Term 2 Reports will be sent to you by post by 10th July. Relevant details for the coming school year regarding textbook and other arrangements will be disseminated to you via email. You are kindly requested to check regularly on our home page for updated information.

Yours sincerely,

Dennis K. W. Chan
Principal

Reply Slip

I acknowledge receipt of your circular No. 046/08-09 informing about school closure from 26th June. I also understand that the school year 2009 – 2010 will begin on 1st September, 2009.
