No. 050/09-10

Dear Parents of S3 Students,

S3 Shanghai Expo 2010 Learning Programme

The “Shanghai Expo 2010 Learning Programme” is designed specifically for S3 students to gain unique learning experience. Students are expected to broaden their global perspective by visiting the Shanghai Expo 2010, to identify their positivity in pursuing their goal by understanding Shanghai’s economic development and to serve the community by volunteering in Expo as well as charity organization. Pre-trip training sessions will be organized to maximize their learning and growth.

The programme also initiates students’ preparation for Liberal Studies and other learning experience (OLE) in the New Senior Secondary (NSS) curriculum. Details of the programme are listed on the reverse side.

Please complete and return the reply slip **on or before 13th April, 2010**.

Please contact Ms. Windy Leung, our School Social Worker, at 2870 8815 should you require further information.

Yours sincerely,

Dennis K.W. Chan
Principal
