Science (Group A)	1
-------------------	---

Remarks:

1. This year, we have students taking iAL instead of DSE and are therefore not eligible for JUPAS applications. Their University offers and final destinations will be reported separately after their results are released in mid-August.
2. In addition, one of our students received an unconditional offer from Peking University, while another received one from CUHK via the Student-Athlete Learning Support and Admission (SALSA) Scheme.
