

Scholarship for Outstanding Sporting Excellence and Contributions

I. Background

In view of the rapid development of our Sports teams and the potentials of our students, the setting up of a Scholarship Scheme to encourage students to persevere and stretch their potentials to achieve their best in various sports events is desirable. We would like to show our encouragement and recognition of the students' accomplishments.

II. The Sports Scholarship Scheme

Scholarships for applicants are awarded on individual merits up to the full amount of the school fees upon demonstration that they have made outstanding achievements in sporting competitions organized by reputable sporting institutions/organizations and mainly by the Hong Kong Schools Sports Federation (HKSSF). The scholarship will be given in recognition of students who are an all-rounder, having displayed a positive attitude; satisfactory academic results, as well as actively making contributions to the development of sports teams.

III. Basic requirements

1. The applicants' attitude, initiative, sense of responsibility and commitment would be taken into consideration.
2. Both academic results and conduct would be assessed.
3. Only students who have represented our College by joining the HKSSF competitions will be considered.
4. Students from team sports must be recommended by a coach. There is a maximum of **6 students that can be nominated in each Team.**

IV. How to apply for the Sports Scholarship

1. Students need to fill in an application form (Appendix A) and also take the initiative to approach the coaches of the school teams for nomination (Nomination form as Appendix B).
2. Students will be asked to attend an interview as part of the vetting process.
3. The talent scholarship board will make the final decision based on the consultation of the Sports Scholarship Board.
